EXTREMELY LIMITED, RARE OR COMPETITION SAKE

JUNMAI DAIGINJO

BORN YUME WA MASAYUME 1000ML FUKUI 35% 635

kiwi, pineapple, strawberry, melon

Aged for a full five years at -5 degrees Celsius. An intense, resonating, beautiful production.

Born sake is among the best sakes produced anywhere in Japan. It is made by the famous Katoukichibee Shouten brewery at Sabae in the Fukui prefecture; established in 1860. The brewery uses only traditional methods, highly polished yamada nishiki and gohyakumangoku rice grains and a home-cultured yeast.

DASSAI BEYOND YAMAGUCHI 18% 1295

layered, supremely elegant, polished

The entirety of this production is classified with unpublished details. The concept behind this sake is "To make something Beyond the limit of 23%". For the past 4 years Dassai went through 8 tanks until the last brought them to a breakthrough. They use similar specifications of their already famous Dassai 23%, however "Beyond".

KIKUSUI KURAMITSU NIIGATA 23% 449

white peaches, stonefruit, honeysuckle

This very special sake uses only the highest quality Uonumasan Koshi Hikari rice and carefully milled down to an astounding 23% of the original grain size with a slightly sweet style. Founded in 1881, the snow melt water from Niigata provides a lush, smooth, supple experience.

NANBU BIJIN 10 YEAR IWATE 35% 1695

apple, peach, melon, smooth

This extremely rare and limited brew is not available for purchase in Japan by traditional channels, and when it runs out it will never be produced again; After brewing, the sake mash is not pressed but rather is allowed to drip gently away from the lees by the power of gravity alone - a technique used almost exclusively in competition-level sake. The sake is then aged in small batches for a full 10 years in exceedingly cold temperatures

TATENOKAWA 18 YAMAGATA 18% 395

cantaloupe, lychee, pear

Tatenokawa 18 pushes the boundaries of sake production. By using Yamadanishiki rice and polishing to a lofty 18%, the team press this sake using a 'fune' - a device that delicately & carefully presses simply under the weight of gravity - and then they select only the best 3rd of the pressed brew, the middle third cut known as "nakadori".

TENTAKA SILENT STREAM TOCHIGI 35% 345

nectarine, lychee, spice, thyme

Out of the 24 grades of Yamada Nishiki rice, this sake is made from the very highest (Toku A Tokujo-Mai) and then made in the non-pressed, free run juice "shizuku" style; resulting in extreme purity.

JAPANESE WHISKY | 日本のウイスキー

Two of the most influential figures in the history of Japanese whisky are Shinjiro Torii & Masataka Taketsuru. Torii was a pharmaceutical wholesaler and the founder of Kotobukiya (later to become Suntory). He started importing Western liquor and he later created a brand called Akadama Port Wine, based on a Portuguese wine which made him a successful merchant. However, he was not satisfied with this success and so he embarked on a new venture which was to become his life's work: making Japanese whisky for Japanese people. Despite the strong opposition from the company's executives, Torii decided to build the first Japanese whisky distillery in Yamazaki, a suburb of Kyoto, an area famous for its excellent water.

Torii hired Masataka Taketsuru as a distillery executive. Taketsuru had studied the art of distilling in Scotland, and brought this knowledge back to Japan in the early 1920s. Whilst working for Kotobukiya, he played a key part in helping Torii establish the Yamazaki distillery. In 1934 he left Kotobukiya to form his own company, Dainipponkaju, which would later change its name to Nikka. In this new venture he established the Yoichi distillery in Hokkaido.

AKASHI SHERRY CASK • SINGLE MALT 65

GRAPEFRUIT, CONCORD GRAPE, PEPPERMINT

an extremely rare whisky amongst collectors, this whisky is bottled only 1 to 2 times a year. aged for 5 years in oloroso sherry casks and sitting at a 100 proof, this whisky is meant for slowly sipping with just a touch of room temperature water to bring out the fine flavors.

CHICHIBU ON THE WAY • SINGLE MALT 59

BRIGHTLY OAKED, YOUNG PEAR, FENNEL SEED

bottled in 2013, this whisky named after ichiros journey to make his first 5 year old. currently aged in one mizunara oak cask & then two american oak, ex-bourbon, casks. a very powerful chichibu, truly showing the beauty from the use of mizunara oak.

CHICHIBU THE PEATED 3 YEAR • SINGLE MALT 69

VANILLA, WHITE PEACH, SCENTED AROMATIC SPICES

ichiro akuto took a whisky which was already good & elevated it to the next level with higher alcohol and heavy peating. still capturing all the flavor & power, but approaching slowly to woo the palate.

CHICHIBU THE FLOOR MALTED • SINGLE MALT 58

LEMON, ALMOND, APRICOT

founded by ichiro akuto in 2004, chichibu is a very hands-on with very small production, and their limited releases are much sought after. from malting their own barley in england to building their own casks, their attention to detail and love of whisky have helped them pick-up a well-deserved cult following.

ICHIROS MALT & GRAIN • BLENDED 78

VANILLA, WHITE PEACH, SCENTED AROMATIC SPICES

A blend from ichiro akuto, this is the more recent "premium" version of the popular malt and grain bottling bottled at an increased strength of 50% abv. A rather complicated blend, the mix includes whisky from his own stocks of hanyu and karuizawa, as well as chichibu.

ICHIROS THE US 2018 EDITION • SINGLE MALT 79

VANILLA, WHITE PEACH, SCENTED AROMATIC SPICES

This is the first edition of an Ichiro single malt blended specifically for the US market. It consists of four ex-bourbon barrels and one hogshead with Mizunara oak heads. All whisky in this single malt ranges from five to six years of age. Ichiro's distillery is currently in its tenth year of operation and has recently increased capacity, although remaining very small.

ICHIROS MALT WINE WOOD RESERVE • BLENDED 64

BERRIES, WALNUT, WHITE PEPPER

HAKUSHU 25 YEAR • SINGLE MALT 276 • oz

WOOD SMOKE, TOFFEE, NUTMEG

incredibly rich nose, packed with sweet spice, rich fruit, toast, peat, smoke and barley. rich and full on the palate with intense flavors and smoothness. everything on the nose repeats in the mouth with extra complexity from butterscotch, touch of caramel and vanilla.

HIBIKI 30 YEAR • BLENDED 512 • oz

MARZIPAN, QUINCE, CHAMOMILE

an absolutely stunning release from hibiki. This was awarded the trophy at the international spirits challenge in 2004, 2006 and 2008. it was also awarded the coveted title "worlds best blended whisky" at the world whiskies award in 2007 and 2008.

KAIYO CASK STRENGTH • DOUBLE-DISTILLED 36

DRIED STONEFRUIT, CACAO, MIZUNARA OAK

this is cask-strength and a rare beast at 53°, as there's not much Mizunara – Japanese oak – available ; only a tiny amount gets turned into whisky casks. It's worth the effort, as it adds a incense-laden spiciness to a barrel proof offering. high marks for this bottling.

KAIYO THE PEATED • DOUBLE-DISTILLED 32

SMOKE, SEA SALT, MIZUNARA & MADEIRA CASK

The nose sees only moderate smoke, but ample iodine, notes of dried berries, and sandalwood. palate is a delightful melange of wood, peat, and fruit that requires some time to unpack. There are notes of almonds, tea leaf, toasty grains, all of which is filtered through a soy-like savoriness that conveys umami and wood notes. 2 years in Madeira casks before Mizunara cask aging.

KAIYO • BLENDED 19

WARM CHERRY, VANILLA, MIZUNARA OAK

Kaiyo's stock of Mizunara oak casks is its pride and joy. known to impart a subtle and unusual collection of aromas and flavours to whisky during maturation, it's this wood which is often credited with setting Japanese whisky apart. Kaiyo doubles down on its cask maturation, sending the full casks off to sea for months at a time. cider apples, dusty sandalwood followed by layering in notes of green olive, beef jerky, and vanilla all on top of one another. the finish is chewy, sweeter than it would let on, reminiscent of Japanese pickles, and lots of black tea notes.

SUNTORY TOKI 16

GRAPEFRUIT, GREEN GRAPE, PEPPERMINT

coined as the premium everyday whisky, this light-bodied whisky is a blend of single grain & single malt whisksies from all three of suntrys distilleries. aged for at least three years in american & spanish oak.

WHITE OAK AKASHI • BLENDED 19

CLOVE, COCOA, CARAMEL

this small production distillery, akashi, is named after its hometown in the hyogo prefecture. white oak ages in bourbon casks before finishing in sherry casks making this a unique selection.

NIKKA COFFEY GRAIN • SINGLE GRAIN 18

coffey grain gets its name after its inventor, aeneas coffey & was a still that moved from scotland to japan in 1963. corn is the primary ingredient along with wheat & unmalted barley while on a continuous still without having any alternate batches.

NIKKA COFFEY MALT • SINGLE MALT 21

CLOVE, CINNAMON, LEMON

named after the stills inventor aeneas coffey, coffey stills are typically used for grain whisky production, making this 100% malt whisky unique. surprisingly rich texture, body, with a flirty sweetness.

NIKKA YOICHI • SINGLE MALT 28

SOFT PEAT, WINTER SPICE, SALTY CARAMEL

NIKKA TAKETSURU 17 YEAR • PURE MALT 59

BLOOD ORANGE, VANILLA, HINT OF CHOCOLATE

one of the most coveted japanese whiskys in the american market as it is praised as possibly one of the best from nikkas port folio. this is a 50/50 blend between both of nikkas single malt distilleries.

NIKKA TAKETSURU 21 YEAR • PURE MALT 69

SOFT CHRISTMAS SPICES, GROUND PEPPER, FRESH GINGER

selected as the worlds best blended malt in 2010, the whisky is blended single malt as opposed to blended whisky, there is no grain added. this offers more age & richness than its 17 year old brother.

MARS IWAI

14

PEAR, QUINCE, GINGER

this shinshu distillery used to only produce whisky during the winter months but eventually closed in 1992 due to sluggish demands. in 2011 the production was resumed and the first recovered whisky hit the market in 2007. the pot stills used were designed by kiichiro iwai & were a close resemblance to those stills used by masataka taketsuru at the yoichi distillery, a wonderful distillery by nikka.

MARS KOMAGATAKE RINDO • SINGLE MALT

75

ASIAN PEAR, BANANA, TOFFEE

a new single malt whisky that was bottled at a high alcohol content of 52% abv to maintain the integrity of its aromatic profile. this will introduce you to a rich and beautiful universe of taste and it represents the mountain flowers of the nagano region where the distillery is located.

MARS KOMAGATAKE LIMITED EDITION 2018 • SINGLE MALT

79

TOASTED BANANA, PEAR, APRICOT

floral hint of licorice and marshmallow, cinnamon and allspice, moving into ripened plum. Cashews lurking in the background. Thick on the tongue, it heats up towards the end with some nice vanilla cookies. Peat smoke fills the mouth as the last of the whisky begins to clear out. Just then, a path through a peppermint forest leads us right down to the seashore.

MARS SHERRY & AMERICAN OAK CASK • SINGLE MALT

75

DATE, FIG, APRICOT

distilled in 2011 and aged for 3 years. it is bottled at 57% abv which is a strong alcohol content allowing a better preservation of aromas despite its young age. the desire to bring out the best flavors despite the youth of the whisky, was already successfully adopted by the now famous chichibu distillery.
