

## MASTER SOMMELIER CELLAR STEALS

Although restaurant Michael Mina is temporarily closed, it is now possible to acquire many special gems from our wine collection. The wines listed below have been personally selected by our Master Sommelier who considers these “among the most iconic wines in the cellar, as well as a few that are equally great, yet still under the radar.” Due to the rare nature of these wines, quantities are very limited. However, please check back often: as these wines sell, we will continue to refresh this list.
