# Explore Jackson Hole Wildlife

## Directions:

Use the pictures and descriptions to name the animals that live in Jackson Hole.

**Black Bear**

**Beaver**

**Elk**

**Moose**

**Bighorn Sheep**

**Bison**

I am great at climbing mountains and my horns look like the letter "C".

I am a \_\_\_\_\_

I am the largest member of the deer family and you might find me standing in a pond on my long legs.

I am a \_\_\_\_\_

At the edge of the forest, at dusk or dawn I find the best grass to eat and I have very long antlers.

I am an \_\_\_\_\_

I weigh up to 400 pounds and this is my foot print

I am a \_\_\_\_\_

I am the biggest rodent in Jackson Hole. I build lodges with trees and bushes which I cut down with my teeth.

I am a \_\_\_\_\_

Some people call me a buffalo. My horns are curved and sharp. I am the heaviest land animal in North America.

I am a \_\_\_\_\_
