

Bedrock Wine Co. was started in 2007 by Morgan Twain-Peterson. Working out of a small converted chicken coop in a friend’s backyard, Morgan focused on making personality-filled wines wrought from a small array of thoughtfully farmed vineyards.

The winery is first and foremost a mission-driven operation dedicated to preserving and rehabilitating old vineyards around California. These vineyards, planted by California’s viticultural pioneers in the late 19th and early 20th centuries, are living pieces of history.

The winery is also dedicated to taking advantage of the diverse terroirs of California and their capacity to make an enormous range of styles, be it delicate and perfumed rosé, barrel-fermented whites, or violet and pepper-tinged Syrah.

Our menu is rooted in Sonoma. To complement the coastal and mediterranean flavors of Sonoma's climate, our wine program highlights the classic wines of our backyard, California as a whole, and the rest of the world with an emphasis on mediterranean climates. These are traditional accompaniments to many of the ingredients on our menu.

We are also proud to feature a library of iconic wines produced in the greatest wine regions of the world such as Napa Valley, Italy, Burgundy, and of course, Sonoma!

“I believe the soil is our greatest asset.” -Jack London

Wit & Wisdom welcomes corkage for all bottles not currently represented on our wine list.

We unfortunately do not allow for previously opened/accessed bottles of wine to be consumed on premise.

There is a \$35 corkage fee per 750 mL bottle for the first two bottles.

It is \$65 per bottle for any additional 750 mL.
