## CORAVIN

coravin is a state-of-the-art wine extracting system that allows us to offer world class wines not usually offered by the glass without removing the cork; thereby presenting the highest quality access to special wines

5oz/9oz

### WHITE

**CHARDONNAY, JEAN-MARC BOILLOT MONTANGY 1<sup>ER</sup> CRU**, burgundy, france 2021.....35/67  
with over forty years of winemaking knowledge including time with olivier leflaive jean-marc has established himself as one of the great modern winemakers in burgundy. Intense spice, lush fruit, and hints of pineapple balanced by vanilla produce a highly concentrated and pure wine

### RED

**CABERNET FRANC, TENUTA SETTE CIELI SCIPIO**, tuscan, italy 2016.....39/75  
completely organic in practice, this relatively young estate located along the bolgheri coastline favours the natural winemaking process. fermented with naturally occurring yeast found on the grapes, this cabernet franc combines power and finesse

**CABERNET SAUVIGNON, JORDAN**, alexander valley, california 2013.....49/95  
one of california's iconic wineries continues to deliver age worthy wines produced in an old world style reminiscent of bordeaux. the 2013 vintage has aged wonderfully in large format and shows off rich blackberry, cassis and ripe cherry.

**SYRAH/CABERNET, JONATA TODOS**, ballard canyon, california 2017.....38/73  
based around the simple idea of sustainability, winemaker matt dees crafts wines that are true to the central coast of california. this field blend dominated by syrah and cabernet sauvignon bursts with notes of five spice, truffle, dried blueberry and baking chocolate.

**BORDEAUX BLEND, CLOSERIE DU PELAN**, cotes de castillon, bordeaux, france.....38/73  
recently purchased by chateau le puy, this wine is showing beautifully at twenty years old! noticeable tannins play out across this lighter bodied wine giving way to notes of dried strawberry, raspberry and red currant.
