

WELCOME

Our beverage program parallels the philosophy of the menu - a modern twist on the classic American steakhouse. The focus of the beverage program is preserving classic and modern cocktails (while creating some innovative cocktails of our own) through the use of only the highest quality ingredients.

because of this, many of our cocktails may take a few minutes to create.

We recommend you peruse all of the cocktails and then look at our selection of spirits before making a decision. Please feel free to speak to your server or bartender for clarification on our products or cocktails.

Cheers!!!

hand rolled in esteli, nicaragua,
using a connecticut shade wrapper
and mata fina binder - a dark tobacco
from brazil. The blend is finalized with
an exclusive hybrid seed named
nicadan, that uses both criollo and
corojo fillers from the volcanic soils of
jalapa and the island of ometepe. The
resulting smoke is a mild to medium
smoking experience. The cigar is
exceptionally smooth and elegant,
with note of pepper, citrus, leather, and
