The Spice Box

The signature spice box serves as the heartbeat of Orla, featuring an array of diverse flavors that capture the vibrant history of The Mediterranean Spice Trail. Drawing inspiration from the aromatic herbs, robust spices, and zesty citrus fruits that distinguished this ancient route, our dishes celebrate the essence of Mediterranean cuisine. Each spice allows us to infuse every dish with rich heritage, inviting you on a culinary journey where traditional flavors harmonize with contemporary techniques, creating an unforgettable dining experience.

Celebrating the ingredients, flavors, and techniques from his heritage, Chef Michael Mina introduces his most personal project yet: My Egypt: Cooking from My Roots. We are excited to share dishes from this new project, inspired by the culinary journey that has shaped Michael into the chef and person he is today.
