*Consuming raw or undercooked meat, seafood, shellfish or eggs may increase your risk of food borne illness.

*There is risk associated with consuming raw oysters. If you have chronic illness of the liver, stomach or blood or have immune disorders, you are at greater risk of serious illness from raw oysters, and should eat oysters fully cooked. If unsure of your risk, consult a physician.

For your convenience, a suggested gratuity of 20% is included for parties of six or more which is distributed in its entirety to the servers.
