

WELCOME

Our beverage program parallels the philosophy of the menu - a modern twist on the classic American steakhouse. The focus of the beverage program is preserving classic and modern cocktails (while creating some innovative cocktails of our own) through the use of only the highest quality ingredients.

Because of this, many of our cocktails may take a few minutes to create.

We recommend you peruse all of the cocktails and then look at our selection of spirits before making a decision. Please feel free to speak to your server or bartender for clarification on our products or cocktails.

Cheers!!!

INTERNATIONAL WHISKY

Unlike the European Union, there is no compulsory definition of whisky in India, and the Indian voluntary standard does not require whisky to be distilled from cereals or to be matured.
