

WIT & WISDOM

Our menu is rooted in Sonoma. To complement the coastal and mediterranean flavors of Sonoma's climate, our wine program highlights the classic wines of our backyard, California as a whole, and the rest of the world with an emphasis on mediterranean climates. These are traditional accompaniments to many of the ingredients on our menu.

We are also proud to feature a library of iconic wines produced in the greatest wine regions of the world such as Napa Valley, Italy, Burgundy, and of course, Sonoma!

“I believe the soil is our greatest asset.” -Jack London
