PHILOSOPHY

Bourbon Steak's bar program parallels the philosophy of the menu – a modern twist on the classic American steakhouse. We are proud to offer contemporary techniques & unique ingredients.

- All spirit infusions are created by our bartenders
- All syrups & garnishes are prepared in-house
- We use premium, small-batch selections which greatly improve the quality of our cocktails
- We pour all of our mixers from glass bottles (we use fever tree club soda, tonic water, & ginger beer)
- We use m exican coca-cola and sprite for their clean, natural flavors and because of their use of pure cane sugar instead of corn syrup
- All spirits, wines & beers have been selected to celebrate the modern steakhouse

Please be advised that because of our commitment to quality, our cocktails may take a few extra minutes to prepare.

We believe that this collection is a thoughtful of modern day Glendale and the future of this city's culture.
Have fun exploring our menu and be sure to look through the list before finalizing your selection.
Please feel free to speak to your server or bartender for clarification on our products or cocktails.
